EDUCATION OF CHILDREN OF AGRICULTURAL MIGRANTS (1962)

1. Alway, Lazelle D. Will You Make A School? New York: National Child Labor Committee, 1957. 22p. 10¢

   A discussion of the problem of providing schools for migrant children with some examples of actual programs in operation.

2. Association for Childhood Education International. When Children Move from School to School. Washington, D. C.: the Association, 1960. 36p. 75¢.

   The increasing movility of people and its effect upon children is the problem which this publication explores. Methods by which schools can help solve the problems created are discussed.

3. Blackwood, Paul E. Report of Two Conferences on Planning Education for Agricultural Migrants. Washington, D. C.: U.S. Department of Health, Education and Welfare, Office of Education, 1957. 58 p.

   A summary of some of the programs designed to improve the education of migrants with a discussion of local, state and regional problems and recommendations for solving them.

4. Greene, Shirley E. The Education of Migrant Children. Washington, D. C.: Department of Rural Education, National Education Association, 1954. 179p. Cloth $3.00, paper $2.50.

   A report of a study by the National Council of Agricultural Life and Labor of the educational opportunities and experiences of the children of agricultural migrants in four centers in Florida, Virginia, Texas and Illinois for the purpose of identifying needs on which a program of action might be developed.

5. Herring, Elizabeth B., compiler. A Partial Inventory of Programs with Children of Migratory Agricultural Workers. Washington, D. C.: National Council on Agricultural Life and Labor, 1958. (Mimeographed)

   A summary of some of the current programs dealing with migrant children sponsored by eighteen national organizations and governmental agencies.

6. Martin, Walter G. Teaching Children Who Move with the Crops. Fresno, California: Fresno County Superintendent of Schools, 1955. 95p.

   Report and recommendations of the Fresno County Project, the Educational Program for Migrant Children.

7. Sutton, Elizabeth. Knowing and Teaching the Migrant Child. Washington, D. C.: Department of Rural Education, National Education Association, 1960. 147p. Cloth $3.50, paper $1.50.

   Reports three years of research and work with migratory children in the schools of Palm Beach County, Florida, and Northhampton County, Virginia, in which the author worked directly

RC002512

with teachers, administrators and permanent residents to gain understanding and to test educational approaches. Includes illustrations of practices and materials developed for use with migrant children.

8. U.S. Department of Health, Education and Welfare, Office of Education. The Education of Migrant Children. Washington, D.C.: Superintendent of Documents, Government Printing Office, 1962. 12p.

   A presentation of current information concerning the complex problems of providing adequate educational opportunities to the children of migrant agricultural workers.

9. U.S. Department of Health, Education and Welfare, Office of Education. Vocational Education in the Next Decade: Proposals for Discussion. Washington, D.C.: Superintendent of Documents, Government Printing Office, 1961. 197 p.

   A publication dealing with the development and objectives of vocational education, the anticipated future of manpower and recommendations for modifying and extending the programs. A chapter is devoted to the problems of vocational education for the agricultural migrant.

10. U.S. Department of Labor, Bureau of Labor Standards. Housing for Migrant Agricultural Workers. Washington, D.C.: Superintendent of Documents, Government Printing Office, 1961. Bulletin 235. 105p. 35¢

    Housing standards set by law and rules that specifically regulate privately operated camps.

11. U.S. Department of Labor, Bureau of Labor Standards. Programs of National Organizations for Migrant Farm Workers and Their Families. Washington, D. C.: Superintendent of Documents, Government Printing Office, 1961. Bulletin 236. 48 p.

    A directory of national organizations with programs concerned with migrant agricultural workers and their families. The purpose and scope of the programs, lists the organization officials the branch or regional offices, the surveys and studies made as well as publications issued.

12. U.S. Department of Labor, Bureau of Labor Standards. The Community Meets the Migrant Workers. Washington, D.C.: Superintendent of Documents, Government Printing Office, 1960. Bulletin 221. 62p. 25¢

    The purpose of this publication is to present ideas that have worked in some areas in order that they may be used in other areas. Emphasis is on constructive measures designed to meet the needs of migrant workers.

13. Williams, Vinnie. The Fruit Tramp. New York: Harper and Brothers. 247p.

    Shows the life of the itinerant workers of the East who follow crops from Florida to Maine. Fresh and remarkably informed,

even to details along the way, but with emphasis on Florida, this vividly humanized and unpretentious fictional document is a lively contribution. It is built around a growing boy and his unique uncle.

14. Selected agencies and organizations which are concerned with problems of the migrant. From time to time they issue publications dealing with this problem. Information and materials are available from them upon request.
